MEET REPORT

Unlisted Training meet, Abbey Road, Barrow-in-Furness, Sat. 17/10/87 p.m.

Members present.

A.D.C-P-Thomas (meet leader).

Mark Scott.

S. Sparkes.

Paul Timewell.

Details of meet as per last stage 2 training meet (see meet report 18/7/87).

Starting at about 2:00pm. and finishing up at about 7:30 p.m., the final stages of the meet running into darkness (headsets had been brought along in case of this event) and techniques thus practised were engendered with a sense of realism.

S. Sparkes came along for an hour or so merely to have an S.R.T. preview, to assist him with choice of gear to buy etc. P. Timewell attended from about 5:30 onwards for the extra practice it afforded and to keep his hand in.

Time was not available to go into rigging or self rescue techniques.
