

19th April 1989

FURNESS IRON evening meet

Present:- S.Barker, S.Thomas, I.Mathieson, C.Jones, P.Fleming,
D.Bridge, D.Lyon, A.Thomas, P.Timewell, J.Helme.

The party first visited the 'Magpie' dig and inspected the recently laid narrow gauge track and wagon which has been constructed from items obtained from Elterwater quarry. The surface walk then continued to Whitriggs Horse Level entrance and the restored bogey now installed on a short length of track outside the mine.

At this point the party split, Ian, Anton and Paul entering the Horse Level and later Pickshaft Cave while Sheila, Peter, Dave, Derek and John paid a visit to Daylight Hole. The parties later reunited in the New Inn where they were joined by A.Wilson, B.Wheeler, L.Harrison and D.webb for a social evening.
